The Honorable William Colby
Executive Director and Controller
Central Intelligence Agency

Dear Bill,

The Presidential Interchange Executives were very impressed with their briefing at CIA on Tuesday afternoon. For them, it was a fascinating, informative and thoroughly enjoyable session.

Thank you very much for the role which you played. The PIE's deeply appreciated your involvement in the session - and also the chance to meet Mr. Helms.

I, too, appreciate all that you did, Bill. My only regret is that I was not able to attend.

Best personal regards.

Sincerely,

A handwritten signature in cursive script, appearing to read "Joe", is written above the typed name.

Remarks:

Harry -

It's obvious from the date that we've been sitting on this for awhile. I did mention to you Jack's doubts about the desirability or feasibility of a one-year tour of an industry man with the Agency. Let's talk about it.

Meanwhile, our thanks (belated) for your part in another "good impression".
